The Territorial Plaza is in desperate need of
 upkeep and lawn maintenance. I see out of town
 visitors at the plaza often and it isn't a good
 representation of the city with worn buildings
 and grass with weeds and stickers.

This is a "old issue" for me and I have attended city

meetings about - even got as far as the Mayor coming

and some Council men coming out and "looking"

nothing else. It's our drainage ditch that comes across

the pasture and down behind the houses, to the river.

It's causing our land on both sides of ditch to wash away and trees falling in. It's now washing between my house and next door.

Please return by March 31, 2021 We've had no relief.

Need to concentrate funds available on infrastructure - water lines and drainage

are more important than streets. If you have good drainage, streets will last longer.

Engagement for youth is very important. Rec league baseball, softball, soccer needs to be encouraged in Perkins.

Maintenance of streets to make a more inviting community as well as cleaning up the junk houses,

Fire + Police should be a priority

That is a lot to tackle! I do want to say that the City did a awesome job picking up all the limbs & branches that broke after ice storm. I still see piles of limbs & branches in Stillwater that hasn't been picked up! I am a animal lover so I really hope

You can get a new shelter for animals. The old one kind of sucks! All I can say is good luck with rest. You are doing a great job! Love it

A traffic light at the corner of Highway 33 and Lover's Lane would help traffic from the residential neighborhood, the High School & the Golf Course. There has been more and more traffic at that corner and sometimes the wait is very long to get out onto the highway. Also a sign should be posted by the traffic lights at the corner of 33 + 177 that reads "No Left turn into Sonie at the Light."

I think all parents would agree, It would be a lot easier
to enjoy the parks if the city could get the ~~sticker~~ stickers under control.
Its very frustrating to dig up and pay a lot of money to keep them out of
your personal yard, just to come home off your childrens shoes, Bikes &
Strollers. We have had to replace 4 bike tires from the stickers all over this
town. I personally would spend money renting the pavilion at the park
if we didnt have to fight stickers.
