Don't know enough about shelter I believe lost animals need care. I hope we have a No Kill Policy. It is important to have a safe, clean shelter.

I live on Teriwine. During high rains the road (water crossing Methodist) is bad. Now with 1 entrance/exit it is not good especially if you have a car. There are problems around town with water crossing roads. It is also bad on the walking path. The SW corner is usually under water.

We need things for the Youth of Perkins - parks w/out stickers and broken equipment. We need a Park & Rec Director. It would be great if we had bike/walking trails. If I understand, if a Perkins Youth wants to play Youth Sports, parents must go to Stillwater. We need to invest in our youth.

Our streets are in bad shape and we need more street lights. It is a dark town.

The New Library is Very Important. It has been in the work for so many years.

Obviously I think all these are important. If I narrowed to the two most important it would be water supply and the new library. As we come to the end of the pandemic, I think we need to create & improve festivals, events and activities to get people out again and visiting again. We have a small town we can be proud of!

I would say #1 priority should be to get Kirk Street finished. We are coming on storm season and those of us that live in Country Estates have no safe way to get out when Methodist floods.

For parks/recreational areas/sidewalks/sides of streets - possibly work with the schools (4H, FFA, community service) and local churches and set up a schedule for the year where an organization or church has work days to clean up the parks (seasonally - pull weeds, trim trees, clean sidewalks, etc)

Perhaps the local churches, ^{school} organizations, etc. assistance in these areas would reduce time spent by the city to help the overall appearance and maintenance *I worked on projects like these growing up w/ a local 4H and as an adult I still recall the feelings and work ethic instilled as a child/teen. Plus - cleaned up city is nice!
